Career in Commerce

Career opportunities in accounting and finance are endless. With an apt finance qualification one can specialize in any of its branches and can build a promising career. Some of the branches of specialization are:

- ✓ Corporate Accounting
- ✓ Audit Function
- ✓ Banking Sector
- ✓ Insurance Sector
- ✓ BPO and KPO Industry
- ✓ SEBI Compliance
- ✓ Tax Planning and Consulting
- ✓ ERP Consulting

Whichever specialization one may choose, he/she needs to be backed by strong finance and accounting education Qualification. There is no other qualification in finance that equips you with a strong base of accounting and finance knowledge than CA, CMA or CS Qualification. These are well recognized qualifications across countries and open career opportunities with large corporations globally.

The Early bird Career Plan

The Facts you should know

- ❖ You can Pursue CA, CMA or CS in a similar fashion with more or less with equal opportunities in the corporate career path.
- ❖ The Institutes of CA, CMA and CS are formed by Acts of Parliament
- ❖ Jobs in Accounting and Finance area are immune to business uncertainties such as recession or economy slow down as these professions are in the nature of compliance of regulatory requirements under the law.
- ❖ CAs have added advantage of a wider scope in private practice with regard to Financial Audits.
- ❖ Even Inter CA, CMA and CS qualified have many job opportunities.
- ❖ The starting salaries for CA is 6 Lakhs PA
- ❖ These professionals have options to pursue jobs in Industry or start own practice after acquiring qualification.
- ❖ There is no age limit for professionals in practice which means one can do practice even after retirement from job in industry
